

Welcome to the OXFAM SUMMER JAMS 2012 Sampler!

Thanks for taking action with Oxfam America! We're grateful for the support of all the new friends we're making this year at concerts and festivals, and we hope you'll watch your email for more ways you can help Oxfam in our work to find lasting solutions to hunger and poverty. Also, please look in this folder for information on Oxfam's GROW campaign, and how you can help build a better food system: one that sustainably feeds a growing population and empowers poor people to earn a living, feed their families, and thrive.

And we hope you enjoy all the great music on this album!
